Property in Jersey County, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact your township assessor to review the assessment. For contact information for your assessor call 618-498-5571 x. 126.
2. If not satisfied with the assessor review, taxpayers may file a complaint with the Jersey County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, call 618-498-5571 x. 126 or visit www.jerseycountyillinois.us go to the Assessor tab then Board of Review for more information.
3. The final filing deadline for the county is generally 30 days from the assessment change list publication date. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in this county. For more information on complaint deadlines, call 618-498-5571 x. 126.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, call 618-498-5571 x. 126 or visit www.jerseycountyillinois.us go to the Assessor tab then Documents and Forms.

Your tax bill will be calculated as follows:

$$\begin{aligned} \text{Final Equalized Assessed Value} - \text{Exemptions} &= \text{Taxable Assessment;} \\ \text{Taxable Assessment} \times \text{Current Tax Rate} &= \text{Total Tax Bill.} \end{aligned}$$

All equalized assessed valuations are subject to further equalization and revision by the Jersey County Board of Review as well as equalized by the Illinois Department of Revenue.

A complete list of changed assessments for this County for the current assessment year, except for those assessments that were changed solely by equalization as noted above, to follow at a later date.
